**SLIDE SQUARE™**

**The Next Generation Square**

# The next generation in layout tools

**SLIDE SQUARE™**

**Jobsite Tough**  
Durable construction  
will not rust or bend

**Built-in Scale**  
Easily marks all common  
roof cuts, hips and valleys  
or any angle to 90°

**Easily and Accurately  
Mark Anchor Bolts**  
Built-in guide lines up  
bolt at 90° and accurately  
positions on sill plate

**Quickly  
Measure  
with built-in  
caliper**

**Perfect  
Square**  
Mark & cut  
straight lines  
with built-in  
positive stop  
at 90°

**Easily and accurately  
solves all your layout  
needs in one tool—and  
it's more compact and  
easy to store than a  
conventional square.**
